BANGALORE CITY IMPROVEMENT COMMITTEE.

(3) In the scheme of shop-sites on the Hoskote road for which the revised plan was approved at the last meeting, the necessity for insisting on a damp-proof course in the construction of the shop buildings was urged and accepted.

1. Letter No. R. 13437—M1. 42-20-10, dated the 1st June 1921, from the Secretary to Government, Revenue Department, suggesting the location of the proposed cloth bazaar in an important road like the Hoskota road, and calling for revised proposals in the matter in consultation with the Sanitary Commissioner.

Note.—The Committee inspected both the sites on 5th August 1921

Resolution—Owing to the proximity of the City Main drain to the proposed site of the Mutton and Fish stalls, their location here will have to be further investigated after the sewage in the main drain is diverted into the closed main pipe sewer as provided for in the general sewerage scheme, so that it does not seem necessary to disturb the existing Mutton and the Fish stalls from their position for the present.

Under above circumstances, the Committe unanimously approve of the rear of the Market, facing Gandopant street, as a suitable site for the location of the Cloth Bazaar in preference to any site on the Hoskota road, which lies out of the way of the established cloth and piece-goods trade.

2. Comparative statement of expenditure on works during the three years 1918-19, 1919-20 and 1920-21 received from the Executive Engineer, City Improvement Division.
